Suspended Services

On Friday the Archbishops released a statement with regards to public worship. The decision has been made to **suspended all public services of worship following those services being held this coming Sunday 22 March.**

We are investigating new and different ways for us to continue worshipping as a parish family. We will keep you all up to date when those plans become finalized.

Please ensure that we have your latest email address in order to keep you up to date.

As the Archbishops have written, "*We have made this decision prayerfully and with a sense of abundant caution and care for our people.*

We know that the Church is more than just the buildings that we worship in. The Church is made up of believers who pray for others, care for others, serve others, love one another, and love their neighbours as Christ taught them.

We ask our people to continue to pray and serve wherever they may be."
